## SEARCYS AND ST PANCRAS

Searcys was founded in 1847 and has been at the heart of British hospitality for over 175 years. Located in the most magnificent locations across the UK, including here at the iconic St Pancras International Station, home to Searcys Champagne Bar and Brasserie.

Champagne has always been a part of our story, with the first mention of Searcys own Cuvée dating back to 1893. Today, Searcys has the longest Champagne bar in Europe, which will take you on a journey back to the bygone golden era of rail travel, offering an extensive collection of Champagne served by the glass, bottle, or magnum. It's not only the gateway to Paris, but an escape from the daily hustle and bustle to enjoy the timeless charm of St Pancras International Station in all its grandeur.

Step into the art-deco Brasserie, designed by Martin Brudnizki, with a ceiling adorned with gold leaf that pays tribute to our illustrious British heritage with every dish. The Brasserie also has several versatile spaces and private dining areas for gatherings, private dinners, and special events.
