

The image shows the interior of St Pancras Bar & Brasserie, a restaurant located in the historic St Pancras International railway station. The space is characterized by its high, vaulted glass and steel roof. In the background, a large clock face is visible on the wall. The foreground features a long, light-colored marble bar with several modern, cylindrical pendant lights hanging above it. Blue upholstered chairs are arranged around the bar and in the dining area. A pink neon sign with the text "It's just home with you" is visible in the background.

*It's just home with you*
