We take great pride in pouring our private label range. Looking to our rich heritage in the Champagne industry, we took a hands-on approach when working with the renowned Maison Burtin in Épernay to produce our Searcys Selected Cuvée.

We are also delighted to work with Maison Drappier who has 200 years of history and experience in Champagne making.

Drappier is the only house to ferment every format in the bottle in which it is sold, from half-bottles up to the unique 30-litres Melchisédech.
